Employment

01/15 - Now

Free Lance Full Stack Web Developer

World Wide

Currently redesigning Curt Mitchell's, a local guitar instructor's, website. I am using Django for the back-end development and a mixture of HTML5 combined with CSS3/SASS and JQuery for the front-end side of development. When finished, the web application will boast a user system for current students presented in an appealing modern package.

11/11 - 04/14

Snowboard Instructor

Mt.Rose Ski Resort - Reno, NV

Taught both public and private snowboarding lessons to adults with varying skill levels.

1/12 - Now

Head of Distribution for the Sagebrush Newspaper

Reno, NV

In charge of the weekly distribution of the Sagebrush Newspaper.

2011- Now

General Employment

Reno, NV

I have maintained constant employment throughout my undergraduate career averaging around 25 hours a week. These jobs are mostly general labor and custodial type jobs. For white space sake, more information about said jobs can be provided if desired.

Education

2011 - Now

BS in Computer Science and Engineering

University of Nevada, Reno

- 3.4 GPA.

- Member of the trans-humanism club "Accelerating Change".

Awards

3 Times
